82 Omar ibn abiRabeaa - El ibrahimia - Alexandria

OBJECTIVE

"A dedicated and skilled Landscape Engineer with a passion for creating aesthetically pleasing and environmentally sustainable outdoor spaces. With a strong background in landscape design, horticulture, and environmental planning, I excel in conceptualizing and executing innovative landscaping projects. Proficient in utilizing cutting-edge design software and possessing a deep understanding of ecological principles

EDUCATION

Dec.2022

- **Bachelor Degree**
Faculty of Agriculture - Alexandria university
Agriculture Engineering department

May. 2024

- **Pre-Master's Diploma**
Faculty of Regional and Urban Planning - Cairo University
A+

EXPERIENCE

Nov.2023

-

May.2024

- **Landscape architecture**
Planning and Landscaping Diploma Faculty of Regional and Urban Planning
 - Landscape Space Design:
 - Acquired skills in designing outdoor spaces that meet environmental and aesthetic requirements of various sites.
 - Ability to analyze sites and develop innovative landscape plans considering usage, aesthetics, and environmental aspects.
 - Softscape, Hardscape, and Lighting Design:
 - Developed integrated designs including softscape elements (plants) and hardscape elements (paths, gardens, retaining walls).
 - Designed outdoor lighting systems that enhance the aesthetic and safety of outdoor spaces, with a focus on sustainability and energy efficiency.
 - Irrigation and Drainage Networks:
 - Designed modern irrigation networks that ensure optimal water distribution and conservation.
 - Created efficient drainage systems that prevent water accumulation and support environmental sustainability.
 - Gained deep knowledge of various irrigation technologies and their applications in landscaping projects

April 2024

- May

2024

- **Technical Office Landscape Engineer**
Target Academy (Elbit El Masry)
 - Successfully completed training as a Technical Office Landscape Engineer at Target Academy.
 - Acquired comprehensive knowledge and skills in landscape engineering principles and practices.
 - Demonstrated a strong understanding of technical office operations and procedures.
 - Participated in hands-on training and practical exercises to enhance practical skills.
 - Collaborated effectively with trainers and fellow trainees to maximize learning opportunities.
 - Applied theoretical knowledge to real-world scenarios, gaining valuable experience in landscape engineering projects.
 - Maintained a high level of professionalism and dedication throughout the training program.
 - Successfully completed all required coursework and assessments, earning certification as a Technical Office Landscape Engineer.

Mar .2023
- Apr 2023

- **Agriculture Engineer**
University of Palermo (funded by the European Union through the Masr Elkheir program)
 - Completed specialized training in Agriculture Engineering from the University of Palermo.
 - Developed expertise in the operation and maintenance of irrigation systems, ensuring optimal water usage and crop productivity.
 - Designed efficient irrigation systems, incorporating industry best practices and innovative technologies.
 - Created landscaping designs that enhanced the aesthetic appeal and functionality of agricultural spaces.
 - Applied knowledge of soil science and crop requirements to optimize irrigation practices and minimize water wastage.
 - Collaborated with cross-functional teams to implement sustainable agricultural practices and promote environmental conservation.
 - Conducted thorough analysis and evaluation of irrigation systems, identifying areas for improvement and implementing necessary modifications.
 - Demonstrated a strong commitment to continuous learning and professional development in the field of Agriculture Engineering.

May.2023
-
Jun.2023

- **Landscape engineer**
Ahmed Araby Group
 - Maintenance the irrigation system
 - Maintenance and replacement for plants

Jun 2021
- Aug
2021

- **Site engineer**
Elmotaheda Group
Trained as site engineer At Sawari Alexandria

SKILLS

AutoCad

Lumion

Adope Photoshop

Microsoft office

Computer skills

COURSES

- **Irrigation systems**
HUNTER INDUSTRIES
- **NPL course / Creative thinking skills / Management and Leadership skills**
FUTURE ACADEMY
- **English Course**
British Council
AUC online

LANGUAGES

- English
- Italian

INTERESTS

- Dismantling and installing electrical circuits Swimming , football
