

KAREEM ELSAYED MAMON

AGRICULTURAL ENGINEER | LANDSCAPE SPECIALIST

Location: Toukh, Banha, Qalyubia, Egypt | Phone: +20 10 9044 0874 | Email: karimmamon9@gmail.com

PROFESSIONAL SUMMARY

Dedicated Agricultural Engineer specializing in landscape execution, site supervision, and modern irrigation management. Possesses hands-on field experience with industry leaders including Hassan Allam and Al-Shorouk Company. Skilled in softscape/hardscape implementation, plant care, soil management, and project quality control to deliver high-quality green infrastructure.

EDUCATION

Bachelor of Agricultural Engineering

Faculty of Agriculture, Benha University

Graduation Year: 2026

WORK & FIELD EXPERIENCE

Landscape Engineer / Field Specialist — Al-Shorouk for Landscape & Contracting

Practical Work Experience

- Supervised full landscape execution, including softscape planting and hardscape layout installation.
- Monitored installation and performance testing of automated and manual irrigation networks.
- Managed plant maintenance schedules, soil testing, fertilization, and pest control protocols.
- Coordinated site teams to align progress with engineering drawings and quality standards.

Landscape Engineering Trainee — Hassan Allam Properties / Construction

Field Practical Training

- Gained practical knowledge in large-scale residential and commercial landscape infrastructure projects.
- Assisted senior engineers in soil preparation, plant quality inspection, and irrigation setup.
- Applied site safety standards, project execution workflows, and strict quality control procedures.
